<b>OUTER BURIAL CONTAINER PRICE LIST</b>
------------------------------------------

**These Prices are effective as of January 1, 2009, but are subject to change without notice.**

In most areas of the country, state or local law does not require you to buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy this requirement.

You may choose only the items you desire. If you are charged for items you did not specifically request, we will explain the reason for the charges on the purchase agreement. Please note that there may be charges for items such as cemetery fees, flowers, and newspaper notices.
